

P.I.T MOTORS LTD.

2010 Limited Motorbike Warranty

P.I.T. MOTORS LTD, INC ("P.I.T.") offers the following product warranty policy ("Warranty") exclusively through an Authorized P.I.T. MOTORS LTD, INC. Dealer

Major Parts Warranty - One (1) Year (12 Months)/5,000 Miles

Complete Engine Warranty - One (1) Year (12 Months)/5,000 Miles

All warranties above are valid as long as the vehicle ("Product") has been operated and maintained according to the manufacturer. This Warranty is applicable only to the purchaser ("Purchaser") of the Product from the Dealer, and shall not apply to any subsequent purchaser, assignee, or other recipient of the Product.

This Warranty becomes effective only upon the completion of the following:

The Product must be assembled and prepared by a Dealer.

The Product must be registered online, via fax, or by mail within (10) business days of purchase in order to validate the Warranty.

Note: If the above steps are **NOT** completed, your product will **NOT** be covered under our Warranty policy.

In the event of a warranty claim, the Purchaser shall be required to produce a valid warranty registration card, fill out a warranty claim form and deliver the defective part for exchange to the Dealer at his or her expense. You will need to provide: Make, Model, Invoice Number, and VIN of the product. This information is available on your bill of sale and/or invoice. The Dealer may help you to determine what, if any, part is defective, and offer technical advice and support if needed by phone, fax, or email. The Warranty shall be void if the Purchaser modifies the Product in any respect, including but not limited to, the use of parts other than genuine factory manufactured parts.

ENGINE

Engine block assembly, including all internal lubricated parts, i.e. rings, piston or pistons, wrist pin or pins, crankshaft and main bearings, connecting rod and rod bearings, camshaft and camshaft bearings, timing chain or timing gears, rocker arms, valve springs, valve guides, cylinder head(s), engine block, and cylinder barrel or barrels will be covered if solely as a result of a mechanical failure of one or more of the internal lubricated components specified above. The cooling system must be in good working order including, radiator, cooling fan and or fans.

Accessory items, including but not limited to electrical components of all types (CDI, magneto, and all sensors and electrical control sending units); fuel systems, gaskets, seals, filters, mounts, linkage, and fluids are not covered by this agreement.

P.I.T MOTORS LTD.

2010 Limited Motorbike Warranty

THIS WARRANTY COVERS THE FOLLOWING PARTS:

TRANSFER CASE (SHAFT DRIVE / CHAIN DRIVE)

All internal lubricated parts contained within the transfer case. The transfer case itself will be covered if damaged solely as a result of a mechanical failure of one or more of the internal lubricated components contained within the transfer case. Accessory items, including but not limited to, U-joints, electrical components, linkage, seals, gaskets, mounts or fluids are not covered by this agreement.

DIFFERENTIAL (GEARBOX)

All internal lubricated parts contained within the gearbox housing case. The gearbox housing itself if damaged solely as a result of a mechanical failure of one or more of the internal lubricated components contained in the gearbox housing. Accessory items, included but not limited to, backing plates, all brake system components, cables, controls, linkage, vents, pumps, electrified controls, mounts, seals, gaskets, and fluids are not covered by this agreement.

TRANSMISSION (AUTOMATIC or MANUAL)

All internal lubricated parts contained within the transmission case. The transmission case itself if damaged solely as a result of mechanical failure of one or more of the internal lubricated components within the transmission case. The complete hydraulic system must be filled properly including internal transfer case, oil cooler, lines, and new filter(s) installed accessory items, including but not limited to, electrical controls, linkage mounts, seals, gaskets, and fluids are not covered by this agreement.

IMPORTANT INFORMATION !

THIS WARRANTY DOES NOT COVER THE FOLLOWING PARTS:

Plastic shrouding, body panels, lenses, lens reflectors, remote, remote alarm module, key fobs, seat upholstery, light bulbs, tires, brake pads, brake shoes, drive belt, drive chain clutch shoes, variator roller weights or battery. Subject to limitations stated in this agreement, P.I.T. agrees, at its discretion, to replace a covered component if such component fails as a result of one or more of the internal lubricated parts within the warranty period, while the component is being used under normal conditions and in the manner specified by the original manufacturer. All transportation costs and shipping damage incurred if any while submitting parts for review, repair or replacement are the responsibility of the Purchaser. Any damage, during shipping of a scooter or motorcycle to the Dealer, on the initial purchase, must be filed through the freight delivery company, and is not the responsibility of P.I.T. MOTORS LTD. The Warranty does not apply to any injury, loss, defect, or malfunction of the Product or failure to function resulting from failure to operate or maintain the Product in accordance with the instructions contained in the owner's manual provided by the manufacturer; or any injury, loss, damage, defect or malfunction, or failure to function resulting from any accident, acts of God, alterations to

P.I.T MOTORS LTD.

the Product by anyone other than the Dealer; misuse, unreasonable use, tampering, abuse, acts, omissions, failure or negligence by anyone other than the manufacturer.

These warranties set forth herein are in lieu of any other warranties, expressed, or implied including warranties of merchantability or fitness. The Purchaser represents and agrees that any claim that it may assert against the Dealer, shall be limited to those which may be asserted under the forgoing limited warranty. The Dealer will make every effort to assist you in getting your Product up and running as quickly as possible if a part fails or is defective within the above warranty period.

This Warranty does not include, wearable parts, damage incurred during shipping.

If you have a part that needs replacing please contact the Dealer. If a part is not in stock, the Dealer will make every effort to obtain a replacement part from our supplier as long as the part is available. P.I.T. MOTORS LTD, INC. may request that the defective part be returned for inspection before replacement parts are shipped. If a problem cannot be diagnosed over the phone, you will be asked to take the vehicle to your Dealer for diagnosis of the problem. We will consult with the shop and furnish any necessary or warranted part as outlined above. **Remember to always wear a helmet when operating your vehicle.**
